# Introduction

- Under the Umbrella of SAL Education Campus, SAL Training and Refinement centre (STAR) is been established which is funded by European Union. STAR Training Center is an emerging leader in the integration of teaching, learning and advancement of the knowledge in the field of advance innovative education sector. STAR provides the leadership and exemplary educational and related services to improve & bring new Teaching Methodology, pedagogy & paradigm in changing roles in Education sector. STAR connects and empowers the educational professionals to make them more productive, creative, and successful for upcoming advance educational era.
- Our Trainers are well Qualified, Experienced & creative in Teaching & Training Methodologies. They have been Trained & certified under "Train the Trainers" program from the European experts & certified by European Union.

## Vision

- Professional development of teaching fraternity in educational organizations.

## Mission

- To empower teaching skill and competencies among teachers
- To create aptitude for research and innovation
- To build quality professionals in the education institutions
- To generate attitude of content delivery through Blended learning approach

## Objective

- Knowledge of how to plan, deliver and evaluate an effective, educational and inspirational classroom lesson/presentation.
- An understanding of the adult learning theories and how to convert them into successful classroom lessons.
- Knowledge of classroom management and how to achieve a motivational and educational flow.
- An understanding of group dynamics - how to make the class work constructively together.
- Knowledge of various training tools to be used within the classroom environment.
- The ability to develop and utilize the participants' individual skills and capabilities to deliver successful classroom lessons.
- Knowledge of tips and tricks on how to gain the audience's interest, trust and attention.

# Training & Courses

## Explore training options

Our training has been created by educators, for educators to ensure that the content is relevant and useful.

### ONSITE OR OFFSITE

All training and courses can be delivered in-person: either onsite at your Campus or offsite with an authorized partner.

### ONLINE

The Training Center is STAR under SAL Education Campus, interactive online platform for professional development. Educators can take courses that meet them where they are, and get them where they want to be.

### THE LESSONS:

Include interactive activities and knowledge checks

Focus on classroom use cases

Cater to different learning styles with text, audio, and video content

Additionally, progress is tracked as you go by logging in with a Moodle account. A Campus leader may choose to award credit for learning time spent in the Training Center.

Visit the Training Center for educators: <https://www.sal.edu.in/sal-global/erasmus/>

# Professional development for Educators

## COURSES

Skill Level: Beginner to Intermediate

Certification: Preparation course for the STAR Certified Education

This course teaches the fundamental strategies for implementing Moodle in the classroom. A basic level of computer literacy is assumed. Educators can start here to begin supercharging their teaching practice to save time and support student learning. This course is for educators who regularly implement Moodle in the classroom. It pushes educators to rethink their teaching practice and redefine it with new possibilities offered by E-Learning.

---

### ENGAGE IN PROFESSIONAL GROWTH AND LEADERSHIP

- 1 Get Ready to Use Technology in the Classroom
- 2 Expand Your Access to Help & Learning

### INCREASE EFFICIENCY AND SAVE TIME

- 3 Have a (Mostly) Paperless Classroom
- 4 Save Time Communicating
- 5 Organize Activities for Yourself and Others
- 6 Bring Meetings Online
- 7 Bring Student Work Online
- 8 Measure, Understand and Share Student Growth

### FACILITATE AND INSPIRE STUDENT LEARNING AND CREATIVITY

- 9 Teach Students Online Research Skills
  - 10 Build Interactive Lessons
  - 11 Captivate Your Class with Video
  - 12 Facilitate Group Work
  - 13 Promote Digital Citizenship and Positive Online Behavior
-

## Professional development for trainers

### TRAINER ESSENTIALS COURSES

The Trainer Essentials courses offer scaffold training levels for those individuals wishing to train and support educators using Moodle for Education tools. The courses cover in-depth product knowledge and practical classroom use cases for the tools. Each tool comes with asset of trainertipsthatwillguidetrainersonbetterfacilitatingin-personsessionsoneachproduct.

Name of Training	Duration
Teachers effectiveness Enhancement (TTE)	2 hours

| 3 | Communication skill, critical thinking | 4 | Keen Pedantry      |

# Certifications

## Show what you know with certifications

### **DISTINGUISH YOURSELF AS AN EDUCATOR**

Get certified to earn recognition for the work you've done. We offer educator certification so you can show mastery at the level that's right for you. Educators can use the content in the training center, in- person training from one of our partners, and their own teaching experience to prepare. It makes us distinguish from other educators.

### **LEAD AND TRAIN**

Individuals who provide direct training, design innovative best practices, and advocate for change have an impact on professional and educational development. We offer certifications for people who are actively supporting educator training and development.

Visit <https://www.sal.edu.in/sal-global/erasmus/> to learn more.

### **Director: -Dr. Rupesh Vasani**

PhD: Engineering-Civil & Management, PGDIRPM, MBA  
Senior Industrial Person with total experience: 24 Years  
Working: Committee Member LIC, Chairman-ISTE (GTU)  
Pioneer: Society for Engineering Education  
Achievement-Education: 100 Papers and Patens.

### **Manager: - Prof. Simple Doshi**

Campus head –Training, Placement & international alliance  
MBA HR, PGHRM, PGDIM, M.com, B.com  
Experience: 17 Years in Edu/In, Man Power Planning, Recruitment  
Cell, TPO, HR: Strategy, Administration, Operations and Business  
Development  
Professional Trainer- 500+ Trainers Trained (100+SAL)

### **Head Trainer: - Prof. Manish Patel**

Head of Mechanical Department- M.E (Production Engineering),  
PhD Pursuing  
Experience: Industry-7 Years, Education-6 Years  
Certified trainer of Erasmus+ training program under the aegis of  
European Union  
Publication: 6 Papers, 1 Book

## Trainers

### **Prof. Harshit Bhavsar**

Dept. Mechanical: M.Tech-Mechanical, PhD- Pursuing

Experience: 10+ Years

Publication: 10 Research Papers,

Member: Editorial and Reviewer in Different Journals and Conference and Certified trainer of Erasmus+ training program under the aegis of European Union

### **Prof. Rekha Patel**

Assistant professor, Civil Department

M.Tech in Construction project management

Total 8 year of experience (including 2 year of industry experience in construction management)

Certified trainer of Erasmus+ training program under the edges of European Union.

### **Prof. Umang Modi**

ME-Mechanical, Charter Engineer

Research and Incubation Manager

Experience: 9 Years

World Record: 162 Intellectual Properties in a Single Day

Member: The Institution of Engineers INDIA, ISTE, Certified trainer of Erasmus+ training program under the aegis of European Union.

Books Published: 02

Research Papers: 05

### **Prof. Ravi Raithatha**

Dept. Civil: M.Tech-Construction Technology

Experience: 5 Years-Education and 3 Years-Industry

Certified trainer of Erasmus+ training program under the aegis of European Union

Publication: 2+ Research Papers

### **Dr. Roshni Rawal**

Dept. ASH: MBA-Finance, Ph. D- Cost Accounting

Experience: 7 Years

Publication: 12 Research Papers, Received 3 Best Paper Awards

Member: Women Development Cell at SAL Diploma, GTU

Innovation Council, BOS at Calorex Teacher's University, Certified trainer of Erasmus+ training program under the aegis of European Union

**Prof. Kuldeep Shukla**

Dept. EC: ME-EC, MBA-Finance

Experience: 6 Years

Publication: 15+ Research Papers,

Member: Editorial and Reviewer, Speaker-Satellite Communication (Sweden) and Certified trainer of Erasmus+ training program under the aegis of European Union

**Prof. Shaswat Padalia**

ME-Mechanical

Research and Incubation Manager

World Record: 162 Intellectual Properties in a Single Day

Experience: 4 Years Incubation Manager

Member: Certified trainer of Erasmus+ training program under the aegis of European Union, Worked at ISRO winged under Sr. Scientist for Developing Satellite Antenna Tracker.

Books Published: 01 Research Papers: 07
