

## Training Conducted for students

Under the CABCIN Centre of SAL Education campus we have arranged various training sessions for our final year students to improve their various soft skills for future development. Various training were planned for students of different stream. And all the training were delivered on different soft skill modules.

In all the training modules approximate 70 students were remain presents. Main purpose of this training is to make them aware about the basic interview skills and how to prepare them self for their interviews.

Students were very enthusiastic to attend the all training modules and they are performing all the given activity with keen interest.
